

 Oilette

LEIPZIG, NEUES RATHAUS

LL6804

TUCK'S POST CARD.

CARTE POSTALE.

POSTKARTE.

Neues Rathaus The New Town Hall has arisen phoenix-like from the ruins of the old fortress of Pleissenburg, and was in process of construction from 1899 to 1903. The graceful tower is erected on the base of the tower of the vanished fortress, and a noble view may be obtained from its summit.
